Best Lighting Products of 2021

December 1, 2021

Linda C. Lentz

Architectural Record presents the top indoor and outdoor [lighting products](#) of the year.

The LittleOnes

“Micro”-manage commercial or residential spaces with these tiny recessed downlights from USAI Lighting that can deliver more than 1,000 lumens, with excellent glare control and flicker-free dimming down to 1%. Serviceable from below the ceiling, it comes in downlight, wall-wash, and adjustable options within a 1"-round or 1¼"-square aperture and a choice of black or white housing.
