

NEW PRODUCTS

Rocking Moroccan ▶

The Malik Luxury Ceiling Lantern from MyCraftwork features intricate motifs that are hand-drawn by an artist on paper, then copied onto a brass plate and hand-drilled. The company specializes in a variety of handcrafted Moroccan furnishings, including custom goods. www.mycraftwork.com

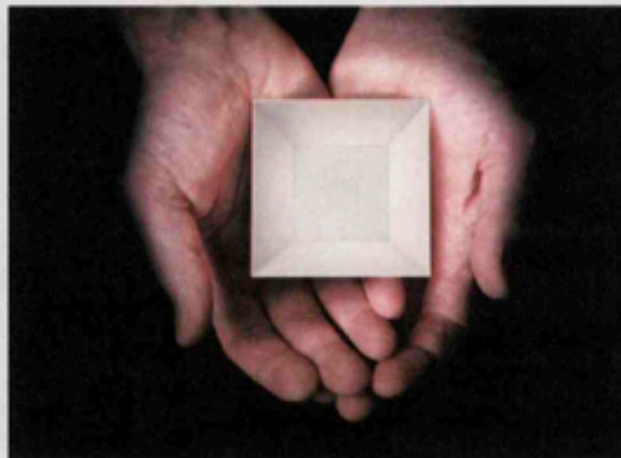

◀ Brit Chic

From the new Jonathan Charles lighting line and its Voyager Collection, a 19th Century British trunk is translated into a smaller version with handsome details in the Travel Trunk Style table lamp. www.jonathancharles.com

Tip-Top Tapelight ▲

Tivotape Indoor XS is a high-output, static LED tape light strip from Tivoli Lighting that emits sharp, pure color for unique effects in cove and architectural applications. It is available in four temperatures from 2400K to 3500K. www.tivolilighting.com

◀ Small and Mighty

USA1 Lighting is thinking big with the creation of the BeveLED mini, the newest addition to its BeveLED family of LED downlights, adjustable and wall wash fixtures. The mini delivers more than 1,000 lumens at 20W from a mere 1½-inch optical aperture. www.usalighting.com
