## Product Monday: BeveLED Micro by USAI Lighting

Craig DiLouie September 18, 2017 6:00 AM

Available with 4-, 6-, 8-, and 12-light configurations, USAI Lighting's BeveLED Micro enables creation of distinctive patterns such as starbursts and circular designs to highlight specific architectural elements.

The luminaire features a 1.25-in. aperture, 8-41W, 2700K to 4000K, and downlight, adjustable, and wallwash options.
