HOW IT WORKS

Easy Installation on 9/16" or 15/16" Flat Tee Grid

- Port and Urban acoustical ceiling tiles are secured to the grid with magnetic connections or torsion spring clips
- USAI engineered, proprietary Snap-In Mounting System provides perfect lighting and ceiling integration with Port and Urban tiles every time

LIGHTING AND CEILING TILE INTEGRATION OPTIONS

BeveLED Mini® and BeveLED® 2.2 for Turf. Pre-cut Urban and Port tiles provide perfect placement for USAI's award winning BeveLED Family. Designed to fit trimless BeveLED Mini and BeveLED 2.2 round or square lighting solutions.
