Power Couple

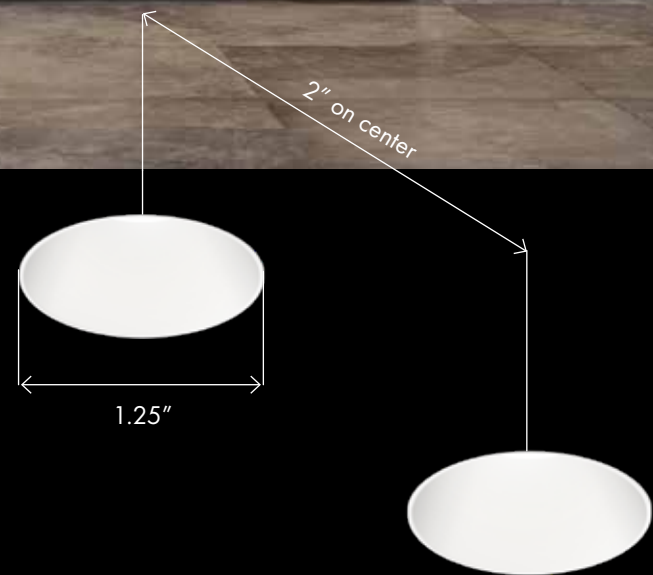

the LittleOnes  
Micro Doubles

# Hello, Power Couple!

The LittleOnes® Family expands with a dynamic duo. Meet the LittleOnes® Micro Doubles. A collection of tiny 1.25-inch aperture Power Couples that deliver up to 1600 lumens while offering the family's signature glare control technology and minimal design.

## MICRO DOUBLES COMBINATIONS

Experience twice the performance with the **LittleOnes Micro Doubles** featuring Double Downlight, Double Adjustable, Double Wall Wash or even a combination of Downlight and Wall Wash. Available in trimmed and trimless, round and square, with black and white finishes, there's an option for nearly every design intent. Choose combination finishes of black bevels with white flanges for visually quiet ceiling integrations.
